Date 21st October 2011

Dear Neighbour

Re: 19-22 Rathbone Place

We write to inform you that there will be road closure this coming Saturday 29th October, this closure is needed to allow roof plant to be craned into position.

During the closure access will be maintained to the surrounding footpaths. The closure will apply to Gresse Street and the adjacent section of Stephen Street.

Yours Sincerely

Vince Sherwin

Project Manager
